After School Clubs 2019-20

We are pleased once again to offer a wide variety of after school clubs for this academic year. Please indicate below which clubs you would like your children to take part in. We will then allocate places **for the entire year** to ensure that all children are able to take part in as many clubs as possible.

Please note that not all clubs will be taking place during each term. We are sharing the list for the whole year now to make the process of signing up easier for everyone. We will inform parents of successful applications once all responses have been received, and at the beginning of each half term throughout the year.

We have been successful in applying for funding to run a science club from the Royal Society of Chemistry this year. This club will be led by Miss Coates and the grant money we have received will allow the children to take part in some very exciting activities.

Please note that there is no club on this list for Mr Scriven. TLE will however be running active sessions after school every day, which can be booked online through our wraparound care booking system. The focus of these sessions will be:

Mondays – Multi-Skills activities,
Tuesdays – Archery
Wednesdays – Multi-Sport Activities
Thursdays – Football
Fridays – Nerf Battles

If you need help booking these sessions please speak to Mrs Gosden in the office.

Yours Sincerely,

Andrew Marsh

As parent/guardian of I have read, fully understood and am satisfied with the details supplied about the mentioned activity and agree to my son/daughter taking part in it.

I know of no reason why he/she should not participate.

I am aware that:-

- (a) *except for visits abroad, insurance arrangements are the same as for students in educational establishments, i.e. that the Authority can only insure against the proven negligence by the Authority and/or its employees;*
- (b) *I should consider making my own insurance arrangements for personal accident cover for my son/daughter.*
