

WOOKEY WEEKLY NEWS

Thursday 25th October 2018

Hot lunches w/b 5th November - Week 1 of new menu

INSET tomorrow

Please remember that the school is closed tomorrow to pupils for staff training. We look forward to seeing everyone again at 8:55am on Monday November 5th after a much needed week off for half term.

Clubs After Half Term and Parents' Evenings

As previously stated, the new after school clubs will be starting straight after half term. There will however be no after school clubs during the week of 12th - 16th November as our first Parents' Evenings of the academic year will be taking place during this week. As usual we will be operating an online booking system for our Parents' Evenings, which can be accessed from the tab on our school website. If you need any help booking a parent teacher meeting please pop into your child's class and speak to their teacher, who will be happy to help you.

Please note that due to her ongoing absence we will be postponing Miss Furner's Parents' Evening meetings until she returns to work. As soon as she returns we will let you know a date for these meetings.

Cross Country

Cross Country Club in the first week back after half term (Tues 6th Nov) is a Race at Collet Park. Hopefully we will be back at school by 5:15pm. Any parents able to drive to the race, please let Mrs Davies know via Seesaw.

Football v St Benedict's School

We finally took part in our first football league fixture of the season this week at Strode Leisure Centre. The team got off to a sticky start, quickly falling behind 2-0. Despite improved play, particularly in defence, the score remained this way at half time.

After a rousing team talk, Wookey began the second half with renewed purpose and confidence, and were soon back in the game with a great goal from Rohan. With 10 minutes to go St Ben's scored again though and a defeat was looking likely. However, Wookey never gave up, and following a second goal, scored by Gabe, consistent pressure on the St Ben's defence resulted in a last second equaliser from Shea! Wookey definitely finished the happier of the two teams and we are looking forward to our next fixture.

We were so proud of their 'never give up' attitude and we must say a huge well done to all the players who represented Wookey this week. We must also say a big thank you to Mr Donnelly for his expert coaching of the team.

Sickness Procedures

Please note that at Wookey Primary School we operate the '48 hours rule' for sickness and diarrhoea. Pupils with these symptoms must stay off school until they have been free of symptoms for 48 hours. Thank you for your support in this.

Friday 21st Dec – Last Day of Term

Children in Need 2018

With Children in Need falling on the same day as Wells Carnival this year we thought it would make a nice change to invite the children to come to school dressed up with a carnival theme, rather than the usual spotted theme. Obviously there is no expectation that children must come to school in a carnival costume, we just thought it would be nice to tie the two events together. We will split the money raised on the day between Children in Need and Wells Carnival charities.
