Hot Lunches next week - Week 3

Well done to our stars of the week for this week. They are: James (Rowan Class), Isaac P. and Ellie F. (Oak Class), Leon and Gracie (Willow Class) and AJ and Roxy (Chestnut Class).

Dear Parents,

You will be receiving your child's annual report today, along with attendance and attainment data in some cases. I have enjoyed reading all the children's reports and I am really impressed with the progress that has been made over the course of the year.

The teachers have worked extremely hard and produced very detailed and accurate reports, summing up the strengths and areas for development of the children in their care. You may notice a slight change to KS1 and KS2 reports this year in that we are reporting ways in which the children demonstrate our 4 core values of engagement, independence, active learning and respect. I hope you find these comments interesting and informative. Please take the time to read your child's report with them so that they are aware of their targets for next year. Thank you in advance for this.

As well as reports, you will also be receiving general permission and photo permission forms for the new school year. These have been updated in line with the new GDPR legislation that came into place on May 25th 2018. Please sign and return these forms to the office by Friday 13th July at the very latest.

Kind Regards,

Mr Marsh

The warm weather is forecast to continue into next week so our non school uniform policy will remain in place until further notice. If things change we will notify you on social media.

At our Governing Body meeting on Monday this week we said thank you and goodbye to our Chair of Governors, Paul Henry. It was Paul's last meeting before retiring from his post after 19 years of service. As you might imagine, Paul has seen lots of changes during his time at Wookey. We thank him for his commitment and the considerable skill he brought to the role. There will be an election at our AGM in September to appoint his replacement, and we will let you know the outcome of this.

A group of children in Chestnut Class took place in a cricket festival at the Blue School on Monday this week. They coped extremely well with the heat and won 1 of their 2 matches. Well done to them!

Thank you to everyone who helped make our summer event 2018 such a huge success on Friday last week. With games, food and drink, stalls and music from the Pete Wagstaff Band, a great time was had by all in attendance. We raised a grand total of £965.53 for school funds, which is an amazing achievement!
