Hot Lunches next week - Week 3

Well done to our stars of the week for this week. They are: Rohan and Maisie (Chestnut), Luka and Roman (Oak), Logan and Archie (Willow) and Eboni (Rowan). They will be having tea and cakes with Mr Marsh on Monday.

School Attendance - expectations

This year we have had an increased number of pupil absences and as a result our overall attendance is significantly below the national average for primary schools.

Whilst we acknowledge that children will need to miss time due to illness can we please ask that if your child describes minor symptoms such as headaches, stomach aches or sore throats that you send them to school if possible. We will then monitor them and call you if their symptoms continue.

It is important that good attendance habits are formed in primary school. I am aware of course that the vast majority of our children have extremely high levels of attendance and the staff and I are grateful for the support we receive from parents and carers to facilitate this.

Now that the weather is starting to improve, it is vital that every child has a full PE kit in school at all times. Many thanks for your support.

Thank you to Mr Bridgeman for helping us to prepare for the new Oak Class outdoor learning area by moving the shed last week. The WSA have kindly agreed to fund this project so keep your eyes peeled for some big changes coming soon!

Well done to one of our Year 4 children for helping rescue an injured badger last weekend. Secret World volunteers came to help him retrieve it from a hedge and it will eventually be released back into the wild. The badger had an infected wound and would have died without the help it received. Awesome work!

If you have any pre-school toys that you are able to donate to breakfast club and after school club we would be extremely grateful. Please speak to Miss Kraeter if you are able to help in any way.
